

LF35_0017 – Online Questions

So, you're called a globe-trotting guru.

1. What exactly does that mean?
2. How did you decide to sell your house and end up with a 40 foot touring bus?
3. What was your vision of “what it would be like” to tour the country in a bus?
4. Has it met your expectations? What's the upside to doing it?
5. Has there been a downside – something you haven't liked about the transition from house to bus?
6. What's the craziest thing that has happened to you while touring?
7. What location has ended up surprising you the most?
8. What are you trying to achieve with your bus tour?
9. How and when did you get hooked on Photoshop?
10. What turned you from a Photoshop user into a Photoshop guru?
11. What aspect of Photoshop do you think photographers misunderstand? Is there a feature or capability that is overlooked by most of us?
12. What's the most important Photoshop tip you could give this audience?
13. Where do you think Photoshop will go next? What do they need to add or change?
14. Any new Photoshop books on the way?
15. What about your photography? What category would you put yourself in?
16. How is the Route 66 project going?
17. What kind of equipment do you carry with you on the road?
18. What's been the most interesting photo you've ever taken with it? (Is it included in the ones that are in the video?)

19. You talk about hand-held extreme panoramas that will blow your mind. What's this about and what is the process for creating these?
20. You're into creative light painting. What is that?
21. What about HDR? Are you doing anything different with it?
22. Where do you think HDR is headed? Will every camera just increase its dynamic range, or will it head in some new direction?
23. What 'essentials' are the 'must know' things for photographers?
24. So, not too many recent entries on the Where is Ben Now website. Are you off the road for a bit?
25. What seminars or classes have you got coming up?
26. What's something we don't know about Ben that you would like to share with us?
Keep it clean now... ☺
